

Integral Board Group, LLC

Your Complete Board of Advisors™

Increase The Success of Your Entire Portfolio

At Integral Board Group, we believe that an individual company as well as a portfolio's success is dependent on strong leadership, deep experience and established connections. When these crucial focus areas come together cohesively, the benefits to a company are immense.

Integral Board Group is a high-impact, fully engaged and for-hire Board of Advisors dedicated to your company's success and growth. We also increase the investment community's percentage of success across their entire portfolios. Our Board of Advisors team is fully built, has a long history of working together and our engagement model ties us to your company and overall portfolio's performance.

Integral Board Group provides value-add throughout the investment lifecycle for Private Equity, Venture Capital and Angel Investment. Benefits of engaging a cohesive Board of Advisors within the Investment Community include:

- ✓ Allows for a consistent and efficient engagement and governance process across entire portfolios
- ✓ Eliminates the need for individual Advisor or Board Member searches and placements for each acquisition or investment
- ✓ Depth of knowledge and bandwidth allows for immediate focus on correcting operational problems while simultaneously focusing on building and implementing strategic plans
- ✓ Resident knowledge and expertise needed for any stage of a company's growth: finance & investment, technology, legal, human resources, real estate, construction, sales, marketing, retail, product and manufacturing
- ✓ Ability to position client companies for capital infusions creating a two-way relationship with the investment community
- ✓ Identifying investment opportunities and sourcing deals in an increasingly oversubscribed and regulated marketplace
- ✓ Representing investor's interest in portfolio companies across multiple investment strategies
- ✓ Accelerating exit strategies and timelines through increased profitability and accelerated growth

Engage our Board of Advisors across your portfolio of investments and see how our expertise and experience can increase your success.

Our Team: We have constructed our (your) Board of Advisors with industry-leading, dedicated and experienced professionals who add incredible value to your organization. Companies that surround themselves with our talented Board experience progress they did not realize was achievable.

It is never too early or too late to engage a Board of Advisors

Set up an appointment to speak with our experienced Board Members today.

Investment Community

Business Owners

Through direct and ongoing alignment with you and your business, we help your company develop its strategic roadmap, recognize & remove impediments to growth and provide the continuous guidance and network necessary to scale efficiently.

Value Proposition
& Offerings

Our high-impact board goes well beyond simply governance, serving as a high-performance team capable of providing the strategic and operational guidance that helps your company succeed. Additionally, our Board members have built an incredible external network over the course of successful professional careers and frequently leverage these connections for your benefit.
